MEMORANDUM FOR: Mr. Wolf

25X1A

SUBJECT : Promotion of [REDACTED]

25X1A

1. According to CIA Regulations, [REDACTED] could be awarded a step-increase for superior accomplishment. Normally, this should be processed through our Efficiency Awards Committee. Such an increase would raise [REDACTED] salary from \$11,050 to \$11,300 per annum. Also, according to Regulations, he could not receive more than one such increase within the time period between normal step-increases for his grade, i.e., eighteen months.

2. The Director's approval would be necessary to place [REDACTED] at the top of grade GS-15 at this time. (This is somewhat similar to the [REDACTED] deal.)

3. Promotion to grade GS-16 would give him an immediate salary of \$12,000 per annum. However, I am advised that the financial considerations are of lesser importance to [REDACTED] than the recognition for outstanding performance which promotion to grade GS-16 would automatically imply.
